Case No. 13-53846

Judge Stephen W. Rhodes
c/o Clerk of the Court
United States Bankruptcy Court
Eastern District of Michigan
Southern Division
211 W. Fort St., Ste. 1800
Detroit, MI 48226

Dear Judge Rhodes

I am a City of Detroit Retiree, who is living on a minimum ^{pension} ~~salary~~. Cuts to my healthcare and pension will have a deadly impact on my health and livelihood. I worked for the City of Detroit for over 30 years, making concessions through paycuts and layoffs.

At this point in my life, there is a need for doctor visits, which include prescriptions. It is necessary that I make these doctor and dental appointments to prevent further patterns of poor health. For over 30 years I worked and was provided preventative maintenance for a small fee. Without healthcare insurance and a sufficient pension, my health will soon decline.

Please consider saving our pensions and restoring our health care.

Sincerely,
Rosie Marie Woods
